MANAGEMENT INFORMATION CIRCULAR

This management information circular (“**Information Circular**” or “**Circular**”) accompanies the Notice of the Annual General and Special Meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**” or the “**Total Helium Shares**”) of Total Helium Ltd. (the “**Corporation**” or “**Total Helium**”) to be held at Suite 3123, 595 Burrard Street, Vancouver, British Columbia, V7X 1J1, on Wednesday, October 18, 2023 at 9:00 a.m. (Vancouver time), and is furnished in connection with a solicitation of proxies by management for use at that Meeting and at any adjournment thereof. The solicitation will be primarily by mail. Proxies may also be solicited personally or by telephone by regular employees of the Corporation at nominal cost. The Corporation does not reimburse Shareholders, nominees or agents for the cost incurred in obtaining from their principals’ authorization to execute forms of proxy. No solicitation will be made by agents. The cost of solicitation by management of the Corporation will be borne by the Corporation. The information contained herein is given as of September 6, 2023, unless otherwise indicated.

All references to “\$” in this Information Circular are to Canadian dollars unless otherwise indicated. References to “US\$” are to United States dollars.

SUMMARY

The following is a summary of certain information contained in this Information Circular. This summary is not intended to be complete and is fully qualified in its entirety by the more detailed information contained elsewhere in this Information Circular and the attached schedules, all of which are important and should be reviewed carefully. Capitalized terms used in this summary without definition have the meanings ascribed to them elsewhere in this Information Circular.

Date and Place of the Meeting

The Meeting will be held at the offices of the Corporation, Suite 3123, 595 Burrard Street, Vancouver, British Columbia, V7X 1J1, at 9:00 a.m. (Vancouver time), on Wednesday, October 18, 2023.

Purpose of the Meeting

At the Meeting, the Shareholders will consider resolutions to: (a) to set the number of directors at five for the ensuing year; (b) elect the directors of the Corporation for the ensuing year; (c) appoint the auditors of the Corporation for the ensuing year at a remuneration to be fixed by the directors; and (d) re-approve the stock option plan.

GENERAL PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy will constitute the persons named in the enclosed form of proxy as the Shareholder's proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Corporation (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder to represent the Shareholder at the Meeting by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

Voting by Proxy

Common Shares represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder has specified a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a Shareholder as proxyholder, such person will vote in favour of the matters proposed by management at the Meeting and for all other matters proposed by management at the Meeting.

The enclosed form of proxy confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, Attention: Proxy Department, 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Shareholders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- (a) in the name of an Intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “**OBOs**”.

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators (“**NI 54-101**”), the Corporation has elected to send the Notice of Meeting and this Information Circular (together, the “**Meeting Materials**”) directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form (“**VIF**”) which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

The Corporation will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the Meeting Materials and related documents. Accordingly, an OBO will not receive copies of the Meeting Materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

The Meeting Materials are being sent to both registered Shareholders of the Corporation and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (a) delivering these materials to you, and (b) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials sent to NOBOs who have not waived the right to receive Meeting Materials are accompanied by a VIF, instead of a proxy form. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder’s behalf, the Non-Registered Holder may

request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder's nominee, the right to attend and vote at the Meeting.

Non-Registered Holders should return their voting instructions as specified in the VIF sent to them. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Non-Registered Holders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Non-Registered Holder may attend the Meeting as a proxyholder for a registered Shareholder and vote Common Shares in that capacity. Non-Registered Holders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Revocability of Proxy

A registered Shareholder who has given a proxy may revoke it by a duly signed instrument in writing that is (a) received at the registered office of the Corporation at any time up to and including the last business day before the day set for the holding of the Meeting, or (b) provided at the Meeting to the chair of the Meeting before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner provided by law.

Non-Registered holders who wish to change their vote, must arrange for their Nominees (bank, broker or financial institution that hold the shares) to revoke the proxy on their behalf.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Each Common Share carries the right to one vote at the Meeting. The board of directors of the Corporation (the "**Board**") has fixed September 6, 2023 as the record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only Shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As at September 6, 2023, the Corporation has 102,393,542 Common Shares were issued and outstanding.

To the knowledge of the directors and senior officers of the Corporation, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation.

Under the Corporation's articles, the quorum for the transaction of business at the Meeting consists of two persons who are, or who represent by proxy, Shareholders. Each of the matters to be addressed at the Meeting, must be approved by a simple majority of not less than 50% plus one of the votes cast by the Shareholders present in person or voting by proxy or VIF at the Meeting.

Re-Approval of Stock Option Plan

At the Corporation's last annual general meeting held on November 30, 2022, the Shareholders approved the Corporation's 10% "rolling" stock option plan (the "**Stock Option Plan**"). The following is a summary of certain provisions of the Stock Option Plan and is subject to, and qualified in its entirety by, the full text of the Stock Option Plan.

As of the Record Date, options to purchase 9,587,900 common shares were outstanding under the Stock Option Plan.

Under the policies of the Exchange, a rolling stock option plan, such as the Corporation's, must be approved by Shareholders on a yearly basis. Stock options granted to Investor Relations Service Providers will cease to be exercisable 30 days after the optionee ceases to serve in such capacity otherwise than by death, or for a "reasonable period" after the optionee ceases to serve in such capacity, as determined by the Board;
- (n) all options are non-assignable and non-transferable;

The determination of the Board in

respect of any such Accelerated Vesting Event shall for the purposes of the Stock Option Plan be final, conclusive and binding;

- (r) in connection with the exercise of an option, as a condition to such exercise the Corporation shall require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option; and
- (s) a stock option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, provided that any extension will not exceed ten business days after the expiry of the applicable blackout period and subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire following the general disclosure of undisclosed Material Information; (b) the automatic extension of an optionee's stock option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities; and (d) the automatic extension is available to all Eligible Persons under the same terms and conditions.

Oversight and Description of Director and Executive Officer Compensation

Compensation Objectives and Principles

The compensation of the Corporation's NEOs and directors has been established with a view of attracting and retaining executives critical to the Corporation's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards. Compensation provided to the Corporation's NEOs and directors is determined and reviewed by the Corporation's board of directors (the "**Board of Directors**" or "**Board**").

Compensation Elements

Compensation of the Corporation's NEOs and directors may be comprised of a base salary (or director fees) and the granting of options to purchase common shares under the Corporation's stock option plan (as more particularly described below under the heading *Stock Option Plans and Other Incentive Plans*.) Through its executive compensation practices, the Corporation seeks to provide value to its shareholders by employing a strong executive leadership team. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success, and align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value.

a) Base Salary

The Corporation believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base salaries can motivate and reward executives for their overall performance.

The Corporation paid a salary to Robert B. Price, the Chief Executive Officer of the Corporation, in the amount of US\$180,000 per year commencing November 2021 until August 31st, 2023. Effective September 1st, 2023 the amount per year was reduced to US\$158,400. Going forward the Corporation may determine that payment of a base salary is appropriate for its other executives and may enter into management or employment agreements providing for payment of a base salary or other compensation.

b) Stock Options

The Corporation grants stock options to NEOs and directors from time to time to help enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's Shareholders. In determining option grants, the Board together with management takes into consideration factors that include the amount and exercise price of previous option grants, the individual's experience, level of expertise and responsibilities, and the contributions of each individual towards the completion of corporate transactions in any given fiscal year.

The Corporation granted no stock options to its executives and directors in the fiscal period ended March 31, 2023.

c) Restricted Share Units & Deferred Share Units

The Corporation has in place the Restricted Share Unit & Deferred Share Unit Plan (the “**RSU/DSU Plan**”) intended to provide a vehicle by which equity-based incentives may be awarded to the Directors, Employees, Consultants and other persons or companies engaged to provide ongoing services to the Corporation and its Affiliates, other than persons involved in Investor Relations Activities relating to the Corporation. Pursuant to the RSU/DSU Plan, the Board (or a committee thereof) may grant restricted share unit awards (“RSUs”) and deferred share unit awards (“DSUs” and collectively with the RSUs, “Awards”) as incentive payments to eligible persons. The Board intends to use the Awards as part of the Corporation’s overall executive compensation plan.

The maximum number of Awards that may be reserved for issuance under the RSU/DSU Plan is 6,575,840.

It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Corporation. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Corporation's independent auditors.

Composition, Procedures and Organization

1. The Committee shall consist of at least three members of the Board of Directors (the "**Board**").
2. At least two (2) members of the Committee shall be independent and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. 3. The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
4. Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.

5. The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
6. The Committee shall have access to such officers and employees of the Corporation and to the Corporation's external auditors, and to such information respecting the Corporation, as it considers to be necessary or advisable in order to perform its duties and responsibilities.
7. Meetings of the Committee shall be conducted as follows:
 - (a) the Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Committee. The external auditors or any member of the Committee may request a meeting of the Committee;
 - (b) the external auditors shall receive notice of and have the right to attend all meetings of the Committee; and
 - (c) management representatives may be invited to attend all meetings except private sessions with the external auditors.
8. The internal auditors and the external auditors shall have a direct line of communication to the Committee through its chair and may bypass management if deemed necessary. The Committee, through its chair, may contact directly any employee in the Corporation as it deems necessary, and any employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions.

Roles and Responsibilities

1. The overall duties and responsibilities of the Committee shall be as follows:

Item 5: Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. members of the Board. Directors can consult with the Corporation's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Corporation and the Board.

Although the Corporation has not adopted a formal code of ethics, the Corporation promotes an ethical business culture.
